

ProBatch™

electronic batch dispense system

*Accurately dispenses multiple-color,
plural component paints*

ProBatch

PART NO. 244441

Finally there's an inexpensive alternative to the expensive kitting of small batches!

ProBatch™

offers an **EASY, ACCURATE** batch system that will **REDUCE WASTE** and **SAVE MONEY**. ProBatch is specifically designed for the cost-conscious individual who uses many colors in low volume.

Part No. 244441
Floor model with
45° tilt screen

Features

- Program up to 250 recipes
- 99-fluid capacity
- Dispenses batches as small as 120 g
- Dispenses one to six dedicated fluids
- Centralized dispense of fluids into a cup gun or 20 liter container
- Intrinsically safe
- Manual-Add features
- Compatible with Graco's PrecisionView™ AMR 2.0 software
- Floor model has 45° tilt screen for easy viewing
- Sliding scale for manual-add
- Adjustable dispense positions reduce splash
- Revolutionary cascading pressure system for fast, accurate dispenses

Key Applications

Finishing

Aerospace
Automotive Feeding
Commercial Airlines
Furniture
Military
Trailers
Signs

Touch Up

Recreational Vehicles

General

Any 2 or 3-component paint application
Industrial
Any application with multiple colors using less than 100 liters per day

... Eliminates problems associated with hand

FloSync™ Controller

Tracks and adjusts to fluid viscosity for faster and more accurate dispenses.

EasyKey™ Pad

Provides user-friendly menu navigation and data input.

Versatile

Adjustable dispense point allows dispensing from a pint-size container to up to a 20 liter container.

Accurate

High-resolution, weight-based 23 kg scale for accurate dispensing.

Easy to Maintain

Pull-out drawer feature allows easy cleaning of internal components.

mixing!

Compatible Fluids

- Solvent-Based Paints/Catalysts
- Solvents
- Lacquers
- Primers
- Waterborne Paints/Catalysts

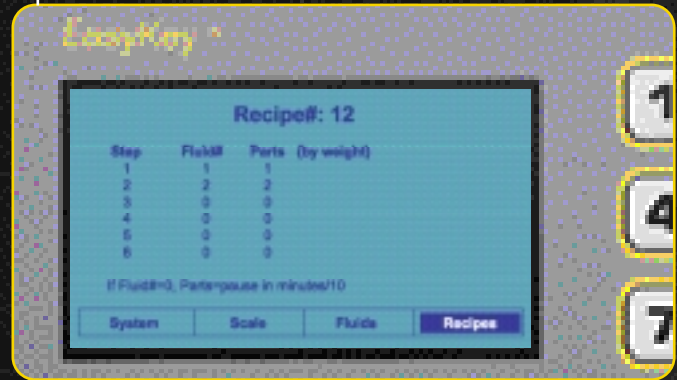

Easy Installation

Package complete – just add feed system, current, air and electricity.

Four easy steps to set up and operate the ProBatch system.

Easy recipe setup

1

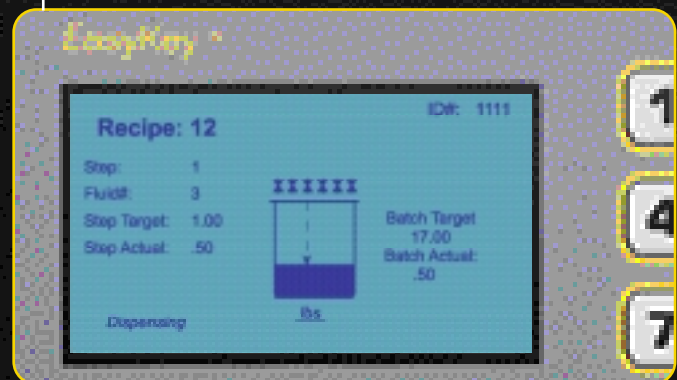

Easy to select dispense recipe and amount

2

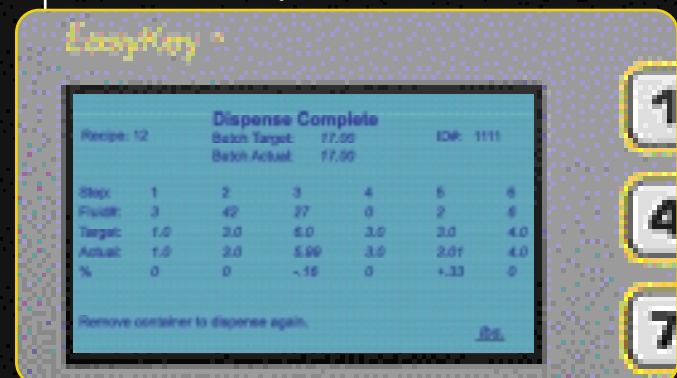

Monitor Dispense

3

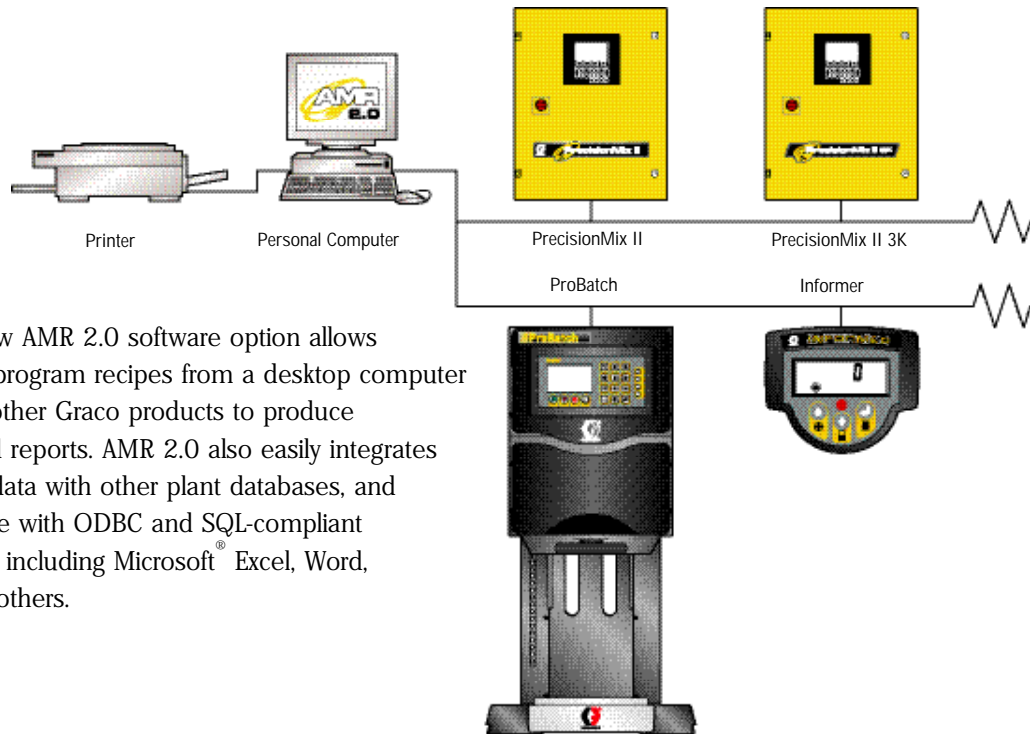

Batch total summary for ratio assurance

4

Software Solutions

PrecisionView AMR 2.0 software option allows the user to program recipes from a desktop computer and link to other Graco products to produce consolidated reports. AMR 2.0 also easily integrates production data with other plant databases, and is compatible with ODBC and SQL-compliant applications, including Microsoft® Excel, Word, Access and others.

Return-on-Investment

Use this exclusive Return-on-Investment analysis tool to see exactly how much your paint line currently costs you, where there is waste, and best of all, how quickly a Graco ProBatch pays for itself.

	Typical Scenario	Calculate Your Savings
Paint price per liter (Typical 12€/liter)	12 € X	<input type="text"/> X
Liters used per day (Typical 60 L/day)	60 l X	<input type="text"/> X
Business days per year	220 days =	<input type="text"/> =
Total paint cost per year	158400 € X	<input type="text"/> X
Total waste per year (Typical 15% per year)	15% =	<input type="text"/> =
Annual Paint Savings	23760 €	<input type="text"/>

*Actual performance may vary depending upon materials and process.

ABOUT GRACO

First choice when quality counts

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The Company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with specialized distributors, Graco offers systems, products and technology which set the quality standards in a wide range of fluid handling applications including spray finishing and paint circulation, lubrication, sealants and adhesives along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
